## Folk music on the internet From Chere Pereira:

There are many musicians who are performing on facebook. Here are two great ones:

**Sally Rogers Music** (a song a day; and there is an exceptional version of Lovely Agnes with Claudia Schmidt)

**Susan Werner** (has something every Sunday at 4 PM).

## Friday, June 10 , Jordan Tice w/Tatiana Hargeaves & Allison Degroot

Tickets will be \$20 General Admission Advance, \$25 General Admission day of show

**Order Tickets:** <https://app.arts-people.com/index.php?show=136495>

Whiteside theatre, Tickets will available online save \$2 with promo code CFS

**Jordan Tice** is a singer, songwriter and guitarist who combines witty, well-crafted songs with deft fingerstyle and flatpick guitar playing. His performances have been compared to those of legends like Leo Kottke, John Hartford, and David Bromberg for their mix of virtuosity and playfulness and his songs have been compared to those of writers, Bob Dylan and John Prine for their humor, introspection and philosophical nature.

Traditional music is not static; it shifts with the times, uncovering new meanings in old words, new ways of talking about the communal pathways that led us to where we are today. For master musicians **Allison de Groot & Tatiana Hargeaves**, traditional banjo and fiddle music is a way to interpret our uncertain times, to draw artistic inspiration and power from the sources of meaning in their lives. History, family, literature, live performance, and environmental instability all manifest in the sounds, feelings, and sensations that permeate their music. Their 2022 sophomore album, Hurricane Clarice is a direct infusion of centuries of matrilineal folk wisdom, a fiery breath of apocalyptic energy.
